CROWD BEHAVIOUR

In the last couple of weeks, HFL has received three complaints regarding unacceptable crowd behaviour toward opposition players and umpires – i.e. noted below (which thankfully did not occur at OVFC related matches).

Personal aggressive abuse directed at an umpire as he left the ground at half time, constant swearing from spectators directed at opposition supporters and the most disconcerting was racial abuse from the crowd towards an opposition player. Whilst the individual is not seeking further action, this type of behaviour cannot be tolerated in any form.

This behaviour cannot and will not be tolerated; consequently any further occurrences will force the Hills Football League Board to take appropriate action.

BINGO

One of the popular social events held at the club last season, was Bingo, which was previously run every Wednesday night. Unfortunately, due to lowering of numbers, Bingo has now gone to fortnightly and upcoming dates are as follows; **18th May, 1st June, 15th June, 29th June etc @ 7:30pm.**

It would be great to see more people come along, as the bar is open, supper is available, with good prizes on offer and has proven to an excellent fundraiser for the football club.

1951 AND 1961 A GRADE PREMIERSHIPS

2011 marks the respective 50th and 60th anniversary of our 1961 and 1951 A Grade premiership teams.

Many thanks to Mick Hughes and Peter Clasholm who have provided Grand Final match reports and team photos from these respective years. Photocopies of this information will be made available in the clubrooms on Saturday.

In addition to this, some of these former players will be at the game on Saturday, so if you do get the opportunity, please don't hesitate to introduce yourselves to our past premiership players.
